Intario CANADA'S

Southern Ontario manufactures immense quantities of food-stuffs. breakfast foods, textiles, furniture, and a host of rubber products. It makes steel and safety pins, shirts and ships. With an almost unlimited supply of raw materials within the province its varied industries produce a fascinating variety of things from electrical appliances and automobiles to kitchen-ware and soap. It grows driving power of ambition,

fruits and tobaccos. Its livestock industry is big. Trade and commerce thrive. Here, as in all Canada, are the raw materials of a future progress that offer opportunity unmatched in any other land. Canada Unlimited is a great land-with a future that will richly reward the
